Location A 12-acre lushly landscaped Estate at the center of world-renowned Grace Bay Beach. The property is ideally situated for access to Providenciales Airport (15 minutes), an 18-hole golf course (5 minutes), marina (10 minutes) and several shopping areas.

Guest Suites 72 Two and Three-Bedroom Suites. Each can be subdivided into one-bedroom Suites and a luxury guest room if desired. Five separate buildings clad in Barbadian Coral Stone house 72 Two and Three-Bedroom Suites. Each full suite has over 1,500 sq.ft. of luxurious living space, marble floors and a minimum of 225 sq.ft. of outdoor travertine terrace, most with oceanviews. Additional bedrooms are designed to function as Luxury Rooms with over 600 sq.ft. of living space and private outdoor terrace. Regardless of one's choice of accommodation, Grace Bay Beach lies steps away.

The classic estates of the Caribbean and Oliver Messel inspired the overall architecture and design of the resort best exemplified within the Suites. Hand-cut coral stone facades and flickering hand-lit gas exterior lighting fixtures set a tone of timeless luxury and sense of place. Inside one's suite, marble floors, milled crown moldings and wainscoting create a sense of grandeur, while mahogany furniture, custom-made expressly for the resort, lends an air of period elegance. The interior and exterior spaciousness allows for a full menu of spa services to be performed within one's guest room, if so desired.

Eight extraordinary Penthouse Suites are available for the truly discerning guest. Each features vaulted ceilings, keyed elevator access, study with high-speed cable internet access, two expansive travertine terraces including a pergola, an interior "water room" with waterfall shower, and an adjacent SunSuite featuring an outdoor shower, garden and Jacuzzi. Daily butler service can be requested at an additional charge.

Guest Suite Amenities The elegantly appointed Guest Suites and Luxury Rooms feature a hand-tufted king bedding configuration. Egyptian bed linens and toweling are custom-made 300-thread count. Each suite is supplied with a safe, high-speed cable internet and complimentary Wi-Fi. Each master bath suite features a hydro-massage bathtub and separate marble shower. Maid service is provided daily with turndown service. Fifty-seven channels of cable television allow for ample entertainment possibilities. Penthouse Suites have flat panel LCD televisions. Suites, one bedroom or larger, are equipped with a full kitchen including Viking appliances throughout, and are ideal for long-term guests or those desiring the services of a private chef. Daily butler service and min-bars are also available at an additional charge.

The Mansion The centerpiece and heart of The Regent Palms Turks and Caicos, The Mansion, is the social hub of the resort. It features the resort's signature dining room, Parallel23, and the Messel Ballroom. Along an esplanade flanking The Mansion's formal gardens is Palm Place, featuring a selection of boutiques ideally suited to a luxury resort lifestyle.

--more--

Dining The resort's signature dining experience at Parallel23 features international cuisine in a setting of casual elegance. The menu features flavors and textures from around the world prepared using organic and local ingredients in a state-of-the-art display kitchen with wood-burning oven. An extensive wine list featuring boutique wines complements the experience. An expansive outdoor terrace faces The Mansion's gardens for al fresco dining. Additionally, an extraordinary outdoor domed private dining area is available for private functions. During the summer season, Parallel23 is open for breakfast and dinner. In the winter season, the signature restaurant is open for breakfast, lunch and dinner. Buffet breakfast, which is included in the room rate, is available at Parallel23 and continental breakfast is available through room service. For early-risers, an inclusive 'Early Bird' continental buffet-breakfast is served daily between 6- 7am at Parallel23.

In addition, the resort's culinary offerings are available to our guests en-suite through our private dining service.

The Bar The resort's elegant bar features the finest liquors, wines and cocktails from around the world. More like the salon of a private home, the bar has both indoor and outdoor seating and is the perfect location for pre-dinner cocktails, meeting others or a late-evening vintage rum and fine cigar.

The Messel Ballroom Unusual for a resort of this size, The Messel Ballroom is located on the second floor of The Mansion and features a wrap around terrace for pre-function cocktails. The 2,000 sq.ft. Messel Ballroom can seat up to 110 guests for catered social functions. Additionally, it is equipped with state-of-the-art audio-visual capabilities.

Other special events can be held on the beach, pool deck, croquet lawn and various outdoor locations around the property.

Concierge Concierge services located in the Manor House are available to assist guests' needs seven days a week.

The Regent Spa The spiritual heart of The Regent Palms, The Regent Spa, is nearly a destination in and of itself. Conceived by Angel Stewart of Las Ventanas al Paraiso, The Golden Door and Ritz-Carlton (Rancho Mirage) fame, it is spread over an acre site and encompasses 26,000 sq. feet of elegant space. Treatment rooms are stand-alone and surrounded by water, each with its own water feature by day and fire feature by night. In a garden area, three white tented cabanas provide a different setting for island-inspired herbal treatments. Two extraordinary spa suites are also available for individual guests or couples to create a custom experience of treatments.

Products at The Regent Spa are from the Sonya Dakar, Somme Institute and Temple Spa (UK) product lines and take their inspiration from the bounty of the Turks and Caicos Islands. Signature treatments at The Regent Spa include 'Mother of Pearl Body Exfoliation' which uses a precious blend of hand crushed local queen conch shells to gently revitalize and

soften, 'Little Drops of Caribbean Rain' whereby hundreds of tiny drops of essential oils are applied along the spine to awaken every nerve ending, and 'Moonlight and Stars' which enables two guests to enjoy a massage in the privacy of their own patio to the sound of the lapping ocean, beneath the twinkling of the stars. The unique indigenous island treatment of 'Zareeba', meaning "protected enclosure", allows guests their own herbal steam, cleansing and detoxification ritual, provided in private enclosures, including inhalation of aromatic steam from a blend of freshly brewed therapeutic herbs and a toxin release body massage to complete the purification ritual.

Many of the treatments available in The Regent Spa may also be taken in a guest's room for the ultimate in relaxation in a private setting. Either indoors or on one's expansive private terrace, The Regent Spa comes to you, another in a long list of bespoke services available to our guests.

A Yoga and Pilates studio offering daily early morning classes (either 7:45am or 8:00am), is situated in the center or heart of the spa overlooking the 150-foot central water garden that is flanked by majestic date palms. Private Yoga, Pilates and meditation classes are available upon request. Additionally, consultations with a private nutrition counselor can be booked at The Regent Spa. Water based therapies, a full service salon, elegant retail salon and health drinks complete the offerings. A fitness center comprising of two treadmills, a cross trainer, elliptical edge and stationary bike, as well as, seven weight machines, a rowing machine and free weights is also open to guests between the hours of 6:30am and 10:00pm daily. Personal trainers are available on request.

Pool and Pool Bar A highlight of the resort lying at the center of the guest suite buildings, the \$1.8 million serpentine infinity pool is without peer. Each area of the pool, surrounding pool decks and bar provide a unique ambiance. Wooden decking, complimentary Wi-Fi around the pool, sun pods, a hot tub "island" in the center of the pool, and a hidden sundeck brushing the beach are but a few of the unique features. Service includes terry-covered chaise lounges, and a selection of complimentary fruit for refreshment each afternoon along with chilled towels aimed to re-hydrate guests.

Plunge, the pool bar and restaurant is as unique as the pool itself. Surrounded on one side by the pool, one can relax in a water banquette or sit at the bar without exiting the pool and still enjoy the full menu. A sunken dining terrace surrounded by a waterfall and garden offers additional al fresco seating. The menu offers Caribbean inspired specialties and American favorites from the wood burning oven along with light salads and sandwiches. Refreshing fruit liquadoes and cocktails are available throughout the day.

Shopping and More Palm Place features a carefully selected group of boutiques to complement the resort and the needs of our guests. WISH boutique carries contemporary wear for men and women and features fashions from young designers and the Ralph Lauren Purple Label line. Next door, the PALM shop carries casual logo wear and gift items. SPLASH boutique features bathing suits and attire prime for the beach. SPICE is the resort's ideal choice for a favorite beverage throughout the day. HARMONY GALLERY offers luxurious handmade gift items for the home, including one-of-a-kind shell encrusted mirrors and original artwork.

Any purchases from Palm Place or The Regent Spa will be packaged to your specifications for use during your stay or for travel. Our staff will then deliver your purchases to your room should you desire.

Services For full-course en-suite dining, a formal table can be set up inside guest's rooms or on their terrace. Suite guests can hire a professional chef to prepare a meal in the gourmet kitchen of their suite.

Activities Our activities are designed to complement the resort experience without impacting the experience and enjoyment of our other guests. A tennis court lit for night play and a croquet lawn are sited away from the resort's residential buildings. Non-motorized water sports including Hobie cats, snorkel equipment, kayaks, windsurf and floats as well as children's beach toys can be enjoyed at the beach between the hours of 8am and 4pm.

The Conch KRITTER'S Club For our younger guests, the Conch KRITTER'S Club, designed for those between the ages of 4-12 years old, has been designed to offer full day, half day and evening sessions, with full use of a dedicated kids playroom and activity schedule. Providing a fun, safe environment, the schedule introduces a beach, pool and art activity every day. Activities range from beach scavenger hunts and origami to sand sculpting, kite flying and water basketball. The dedicated playroom offers a multitude of board games, computer and video games, toys and activities. Trained staff at the resort offer Yoga, Pilates and water aerobics solely for Conch KRITTER'S Club members. Full day sessions cost \$90 per child; evening sessions, which include a clubhouse activity, private kids-only dinner and a movie cost \$70 per child; and half day sessions from 9am until midday or 1-4pm cost \$45. Babysitting services are available.

Other Inclusive Features Room rates include a daily buffet breakfast in the restaurant or continental breakfast in your room, welcome amenity, tennis, non-motorized water sports, and entrance to the fitness center. There is no room charge for children under 12 years of age who occupy the room with their parents.
